### **Get into shape – free!**

Are you fed up with the gym but realise that you need to be a little more active? Why not come along and try a free class at 10 o'clock on 15th September at Westbury Leigh Community Hall.

You would join a small, friendly group who enjoy moving to a variety of rhythms and improve their fitness through moving to music around the room. It is safe exercise, taught by a professional instructor with years of experience and the benefits are many and varied.

Recently at the Cheltenham Science Festival Dr. Emma Redding recommended dance classes to help people maintain good balance as they improve and maintain ankle and core strength. It is also recommended for people recovering from operations. Falls are the biggest cause of emergency hospital admission for pensioners and can lead to serious complications. Also the social aspect of working with other people while improving skills can lead to increased confidence when moving in everyday life. Postural alignment is very important in preventing falls and helps keep us safe. Ballroom dances are particularly suitable because we increase our balance whilst providing a crucial form of exercise. Dancing increases flexibility, balance and stamina, as well as making new friends and becoming part of a supportive group.

## **Thank you!**

Thank you to Chris Pearson of Westbury Leigh for revarnishing the Old School Green sign at the bottom of Church Lane. The sign had suffered badly from the weather but is now looking much better. Go and have a look at it – especially if you remember when the Green was the school field.

## **Craft shops in Westbury**

Thanks to an increase in popularity of anything 'crafty' we now have a choice of shops in Westbury to buy handmade items, or the essentials we need to make our own. For more details about these shops, check their Facebook pages or look for posters in their windows.

## **Westbury Leigh in the news**

By now you will all have seen the house by The Spur roundabout that was gutted by fire on 15th July. Fortunately, no-one was hurt, but the family lost all their possessions. The Hollies has been the focus of a community effort to raise money for the family, setting up a JustGiving page and even hosting a special fund-raising event for them. More information is on [www.theholliesinn.com](http://www.theholliesinn.com).

The Wiltshire Times recently reported a plea from Sarah Perrett, who lived in Westbury Leigh until a few years ago. Her set of "Church Mouse" books, treasured since childhood, was accidentally taken to Ashton Common car boot sale and sold. Sarah would love to have them back! If you know anything about them, please contact the Wiltshire Times on 01225 773609.

### **Deer – love them or hate them?**

Deer are attractive animals and many of us have fond memories of the Disney film *Bambi*. They don't seem quite so appealing when they are in the garden though. Recently Westbury Leigh residents near Sandhole Lane saw two deer in their garden in the small hours. In the morning they found their soft fruits and lettuce were gone and the deer had even eaten the whole crop of crab apples (including leaves!).

There seems to be plenty of wildlife in Westbury Leigh gardens, but it's not always so destructive. Have you had a similar experience? If so, let Angela know on [jandagraham-leigh@blueyonder.co.uk](mailto:jandagraham-leigh@blueyonder.co.uk) and send her any pictures you've taken.

### **Westbury Music and Arts Festival**
